Dear Addressee,

Thank you for choosing Northwestern Medicine for your healthcare needs. As one of the leading healthcare systems serving greater Chicago, we are dedicated to providing you and your family with exceptional care.

As of January 1, 2017, Harken Health and Coventry Health Care, as well as the defunct Land of Lincoln plan will no longer allow access to Northwestern Medicine. This is due to the decisions made by the insurance carriers on what products they will offer on the Affordable Care Act (ACA) exchange. As a result, if you remain with your current coverage, you will no longer have access at Northwestern Medicine starting January 1, 2017.

If you wish to continue receiving your care from Northwestern Medicine, Blue Precision HMOSM is the best option. You will need to select either Administrative Site 475 or 477 through a Northwestern Medicine primary care physician, you will be able to be referred to the appropriate Northwestern Medicine facility for services. For instructions on how to enroll in this plan, please call 312.926.7440.
